

A. Crosby Kennett Middle School Ski and Snowboard Club 2017-2018

This winter the KMS Ski and Snowboard Club will be heading to Cranmore on Mondays, beginning on January 8th, after school to ski and ride from 3:00 until the mountain closes at 4:00. Students will get on the bus at KMS immediately after school is dismissed. The quicker we get to the mountain, the more skiing and riding we can do! We can't stress enough, how important it is for your child to get to the bus right after their last class. We cannot wait for stragglers.

- Parents may drop off their students' skis or snowboards at KMS on Monday mornings.
- ALL PARTICIPANTS MUST WEAR A HELMET! NO EXCEPTIONS!
- All students must be a member of ESSC - a \$15 membership fee is needed to participate. *Family discounts are available. See attached form.*

The lift ticket is at no cost to the student; Cranmore donates their lift services.

If a student is in need of equipment, a \$15 membership to ESSC will enable them to lease a ski or snowboard package for the season for \$60. Our goal is to have all students who wish to participate be able to. If you are unable to afford the ESSC or rental fee you may request financial aid. Please contact me if that is the case.

Students will return to KMS in time to get on the late bus. If parents wish to pick their student up at Cranmore they may. Pick up **must be prompt at 4 pm** and you must touch base with a chaperone when you pick up your child. Again, we cannot wait at Cranmore for parents who are running late. If you are not there to pick up your child when the bus is leaving, your child will have to ride back to KMS.

- Any further questions or concerns please email Beth Swartz at b_swartz@sau9.org
