

SAU#9 State of the Schools

*Realizing the Full Potential of Each and Every Student
through Competency-based Education*

Thursday, January 18, 2018 at 6:00pm

Kennett High School

Thursday, January 18, 2018

Loynd Auditorium

6:00-7:30pm

Please join us as we celebrate our progress towards achieving the goals of our community developed strategic plan, and learn more about how competency-based education will enable us to realize our vision. The evening will include a presentation by Superintendent Kevin Richard, followed by small group conversations about how the Mount Washington Valley community defines student growth and achievement.

We will be providing light refreshments as well as care for children between the ages of 3 and 11, thanks to the Teacher Education Program of the MWV Career and Technical Center. If you would like to take advantage of this complementary service, please **email Siiri Chase at s_chase@sau9.org no later than noon on January 16, 2018.**
